

The year in review!

It is just over a year now since I first embarked on my Chaplaincy journey. And what a journey it has been! There has been laughter but also tears, joy along with sorrow, celebrations alongside challenges. In all this, I am so grateful to you, my supporters, for the many and varied ways you have supported the Pine Rivers Special School Community. Here is a snippet to the year that was...

Adventures...

Schools are very busy places! We had swimming in Term 1 & 4, attended the Pine Rivers Show, had excursions to parks, enjoyed getting active on sports days and a Colour Run, celebrated graduating students, grooved to music at the P&C end-of-year disco, and an all-time favourite... hit Currimundi for a school camp! These adventures all happen amongst our daily learning, so there's lots going on at PRSS!

CHAPPY NEWS

Reaching Out...

Our older students give back to the local community through the GOTCHA program and a local outreach centre. They cook, package and deliver food as well as engage socially with the clients at the centre. This endeavour builds our students life and social skills, and the patrons enjoy seeing our students each week.

PRSS also banded together to donate non-perishable food items to help those facing a difficult time this Christmas in our local area. It was exciting to fill a car with food that our school community had donated. There was so much food, I had to call in Dennis (our groundsman) to help transport the food to the car with his trolley. Great effort Pine Rivers Special School. 😊

Community Care

It takes a village to raise a family and an army to support a Chappy! From local businesses, schools and churches to incredible individuals, I have been amazed at how you have walked alongside me. I couldn't do what I do at PRSS without your prayers, skills, sacrifices, finances, encouragement and support. Here are a few pictures to capture what you have contributed to over the year!
